| IEEE 802.1X operations in wired and wireless environment | 89% |
| Designing Identity Based Networks with 802.1X and ISE | 92% |

As a Cisco certification candidate, you deserve a fair and secure testing experience. Please report any suspicious behavior you observe to security-tipline@external.cisco.com. Examples of such behavior include receiving help or copying from another test taker, taking a test for someone else, accessing stolen test questions, or using notes or unauthorized aids. Thank you for your assistance in helping to detect and prevent these unfair testing practices.
